

Aerospace Electronics SC APC Fiber Optic Connector 4-pin

The SC/UPC fast connector are factory pre-polished, field-installable connectors that completely eliminate the need for hand polishing in the field.

ECIA Authorized Fiber Optic Connectors components are available from TTI. TTI offers inventory, pricing, & datasheets for Fiber Optic Connectors components from major suppliers.

The SC connector features an internal cavity and epoxy injection tube that virtually eliminates the possibility of improper epoxy application, thus providing higher manufacturing yields and superior ...

Each connector meets FOCIS and TIA/EIA-568-B.3 standards and ships pre-assembled from the factory to reduce installation time. Zirconia ferrules with preradiused end faces allow for physical contact ...

Fiber optic adapter : 4pcs SC/APC-SC/APC. Installation Type: Desktop. Max Capacity: SC 4. If you need a quantity greater than 1pc. Material: Cold rolled plate.

Ruggedized range specifically designed to perform with aerospace cables in harsh environmental conditions. LC connectors and adapters are manufactured under the worldwide license from OFS.

This SC/APC (Subscriber Connector / Angled Physical Contact) single mode connector features a ceramic ferrule whose tip is pre-radiused and pre-angled (8°) to minimize back reflections.

These specialized fiber system components terminate the optical fiber within the connector system, aligning and securing the fiber to ensure proper signal transmission.

Mouser offers inventory, pricing, & datasheets for Amphenol Aerospace Fiber Optic Connectors.

Cable Matters 6-Pack 10Gbps SC to SC APC Simplex OS2 Single Mode Fiber Optic Adapter, OS2 APC Fiber Coupler, Compatible with Verizon Fios and AT& T FiberONT Replacement Cord
