

## Cable tray fixing clamp 270

Made with chemicals safer for human health and the environment. Manufactured on farms or in facilities that protect the rights and/or health of workers. Need help?

Introducing a cable tray fixing clamp by RS PRO - One of a series of cable tray accessories designed to create the ultimate solution for safe and efficient cable routing. Made from high-quality stainless steel ...

Hanging clamps attach to the sides of a tray section to suspend it from 1/2 " -13 threaded rod using two hex nuts on each clamp. Threaded rod and hex nuts are not included.

These cable tray clamps provide a strong fixation method, enabling a fast and safe installation.

These special heavy duty tray hold down cable tray clamps and expansion guides are ideal for fastening tray to C-Channels and beams, such as those found on bridges.

They secure and bond metal conduit (rigid steel or aluminum, IMC and EMT) to the side rails of steel or aluminum cable trays without drilling or welding the tray.

Choose from our selection of cable tray clips in a wide range of styles and sizes. Same and Next Day Delivery.
