Question: Sewage Does Not Flow Uphill
Question: Flooding Seen at The D-Box
Question: Solids in The D-Box Or Septic Distribution Box
Question: D-Box Ahead of The Septic tank?
Question: Replace Just The D-Box lid?
(Jan 6, 2015) Jamie Steele said: Ok, i had a back up into my house. I had a company come out and pump the septic tank out (which was full of solids). They mentioned that they thought the distribution box might be clogged as well. So a couple of days later we dug up the d-box. When we got to the lid on the dbox a hole accidentally was knocked into t...
