

Dedicated high-voltage switchgear complete set of equipment

HVL switchgear is a reliable power distribution product with field installations spanning over 60 years that permits trip/close operations of high power distribution switchboards.

GCK is a Withdrawable Low Voltage Complete-set Switchgear Equipment with high-reliability, cheaply. GHS168 is our company absorbing foreign technology and developed the design of the low-voltage ...

The IESIS-12 solid insulated RMU switchgear is a fully insulated, fully sealed, maintenance-free solid insulated vacuum switchgear. It features a simple structure, flexible operation, reliable interlocking, ...

From air-insulated switchgear (AIS) to gas-insulated switchgear (GIS) and innovative hybrid switchgear, we offer a comprehensive portfolio to meet diverse application needs.

It is enclosed in a corrosion-resistant metal box with transformers and low-voltage units, and supports two wiring modes on the high-voltage side: ring network and terminal.

KYN28-12 (GZS1) High Voltage Complete Set is a three-phase AC 50Hz indoor complete distribution device, which is used to receive and distribute 3-12kV network power and control, protect and ...

The circuit breaker has high reliability and good performance; The "five prevention" interlocking mechanism is reliable and simple. The switchgear is an indoor complete set of 3.6, 7.2, 12kV three ...

The main circuit components of air-insulated switchgear are built in an inflatable compartment. The switchgear is of all metal modular assembly structure. The cabinet body is made of imported ...

Explore Chennuo Electric's range of high and low voltage complete sets, designed to ensure the reliable operation of power systems. Our solutions cater to a wide range of applications, offering stability and ...

We offer solutions adapted to customers' HV and MV transformer applications including Power and Auto, Generator Step-up, Industrial, Reactors, Network and Distribution. Highly reliable, compact GIS ...

Dedicated high-voltage complete set of equipment switchgear
