

Fiber Optic Cable Safety Relay

Each unit has four (4) input terminals, four (4) output relays, a NC/NO alarm contact for system monitoring, and convenient LED indicators to view system status. This product is designed to ...

The FRM220-CCF20 relay Contact Closure over fiber extenders allow sending ...

Find Fiber Optic Relay related suppliers, manufacturers, products and specifications on GlobalSpec - a trusted source of Fiber Optic Relay information.

The Thor Fiber Contact Closure over Fiber Converter enables reliable transmission of dry contact (relay), GPIO, and alarm signals over long distances using fiber optic cable.

The FRM220-CCF20 relay Contact Closure over fiber extenders allow sending relay contacts over fiber optic enhancing security and automation applications. The contact closure converters have SFP slot ...

Fiber optic emergency stops advance these safety capabilities in challenging and dynamic applications. This white paper will discuss how e-stops work, the standards that govern them and how fiber optic e ...

The FOI-2991, FOI-2992, FOI-2993, FOI-2994, FOI-2995 and FOI-2996 all provide complete electrical isolation for control signals and relay closures. The units are uni-directional devices with the FOI ...

Are you looking for transceiver modules that can convert from an electronic signal to the fiber and inform downstream areas of this electrical relay closing? Or are you looking for a relay that ...

The pair of modules provides the ability to send a digital contact signal up to 10 km over a single optical fibre, making it ideal for monitoring of safety-critical alarms, emergency stops or mission-critical stop ...

Use the SEL-2595 Teleprotection Terminal to send and receive up to eight relay contacts directly over a pair of optical fibers or through a digital T1 or SONET multiplexer.

REA Arc Protection Relay System The REA Arc Protection System utilizes a patented fiber-optic sensor technology that instantaneously detects light from an arc. A tough unshielded fiber optic cable runs ...
