

Fiber optic FC connector for single-mode

You need stable connections, minimal loss, and field-ready performance--this FC SM/MM Fiber Optic Connector delivers just that. Engineered for multiple cable sizes (0.9mm, 2.0mm, and ...

Thorlabs stocks an extensive selection of single mode fiber optic connectors, available for immediate shipping. Choose from FC/PC, FC/APC, ST/PC, LC/PC, E-2000/PC, SC/PC, or SC/APC style ...

FC Connectors, also known as Ferrule Core, "Fiber Channel" or "Ferrule Connector" or "Frank Charlie" Connectors at assembly houses and in the fiber industry, are ideal for single mode fibers due to the ...

The FC Fiber Optic Connector (Ferrule Connector or Fixed Connection) is a precision screw-type connector widely used in single-mode optical networks requiring high mechanical stability and ...

Corning's anaerobic-cured keyed and non-keyed connectors deliver high optical performance in a fast, easy field-termination solution designed for fiber-to-the-workstation applications, supporting both ...

Beyondtech's single mode FC/UPC epoxy-polish connectors are specially designed to provide low insertion loss and back reflection, along with high precision and mechanical stability. Our male FC ...

We offer a variety of FC fiber optic connectors to accommodate both single-mode fibers and large-core multimode optical fibers. The FC is a keyed connector with a 2.5mm ferrule and utilizes a threaded ...

The FC connector is a fiber-optic connector with a threaded body, which was designed for use in high-vibration environments. It is commonly used with both single-mode optical fiber and polarization ...

The Polyphaser FPC1FCFC-0SMRY20-01 is a FC to FC Simplex 9/125 single mode 2.0mm diameter fiber optic Patch Cord best used for long cable runs in any single mode network.

4Pcs Visual Fault Locator Fiber Adapter, Fiber Optic Connector, Single Mode 9/125um FC Male to LC Female Hybrid Optical Fiber Convertor Adapter Compatible with Optical Power Meter Visual Fault ...
