

To connect various high voltage (HV) components to the HV system, we also deliver a wide variety of busbars. In cooperation with the customer, these can also feature our Bus Bar Insulation Tubing (BBIT).

Choose from our selection of power distribution bars in a wide range of styles and sizes. Same and Next Day Delivery.

Molex provides a versatile range of high-current high-voltage busbar solutions suitable for various applications and environments. Busbars and busbar connectors are the backbone of many ...

Manufacturer of cable bus systems for high current electrical busway applications, 1000 to 6000 amps. AC & DC systems available from 600 volt to 35kv for industrial, utility & commercial ...

Explore our extensive range of busbars, designed to connect high-voltage and low-voltage equipment efficiently. Our busbars, available in both insulated and uninsulated options, cater to the unique ...

Providing the equipment and skills to produce even the most complex busbars with maximum efficiency by optimizing materials and applying best practices. Molex offers a range of busbar solutions to meet ...

A leading provider of bus bar solutions, Methode Power Solutions Group delivers products that meet RoHS and REACH standards, as well as assemblies that are UL certified. We provide sales, ...

One of the signature products developed by Intercable Automotive Solutions are our custom made high-voltage busbars manufactured to client specifications. Busbars are essential components in electric ...

Find your high-voltage busbar easily amongst the 6 products from the leading brands (LEONI, TELEDYNE, HLC, ...) on DirectIndustry, the industry specialist for your professional purchases.

Typical busbar applications include switchgear, panel boards, power invertors, powered electronics, and high-voltage battery packs. Eaton offers numerous busbar manufacturing technologies, ensuring the ...
