

How to seal cable trays and wires

Applications are designed to seal any type of cable penetration, as well as any metallic, composite or plastic pipe penetration. The system can be used for single or multiple pipes, or any combination of ...

How do you seal a cable entry hole? This guide covers how to properly seal cable entry holes, what products you need and why it is an important thing to do.

Multi-Cable and Cable-Tray Weatherstop Penetrations
10 Reasons to Count on WSP For Your Weatherseal Needs
Typical WSP Weatherstop Unit Construction
MSDS Sheets
WSP weatherstops are designed to seal penetrations of any type in walls or floors by cable tray, cable conduit, pipe and/or bus duct. The WSP system utilizes a powder coated or galvanized steel frame that encompasses the entire tray or duct at the point of penetration. These steel frames are chemical, water and corrosion resistant and are sui...
