

Industrial-grade optical switch 1G import

Compatibility in your network is everything, and this industrial SFP Transceiver Module delivers. Use it with any Intellinet SFP equipped network switch or any other Multi Source Agreement (MSA) ...

It can also be conveniently placed in a control box with limited space. The device offers stable and reliable performance, automatically learns and updates MAC addresses, comprehensively enhancing ...

Designed for harsh industrial environments, the 1000BASE-LX SFP provides secure 1G connectivity for industrial automation, manufacturing, security, transportation, oil and gas, mining, and smart cities. ...

Click to get your 1GBE transceiver modules from nearby warehouses. 30-Day Free Return. Trusted by 260K+ Enterprise Users.

Product Number: MTS-SFP-1G-LX/LC HIRSCHMANN IT 1G SFP Module 1Gbps, Single-mode, 1310nm, LC, 20Km, DDMI Availability: Global Status: Active

Looking for a full Gigabit industrial PoE switch with 1 optical and 1 electrical port? Our high-quality, reliable, and efficient switch is perfect for your industrial networking needs.

The AMG SFP-CW-1G series are industrial high speed 1000Mb Ethernet CWDM SFP's offering support for Singlemode optical fiber using industry standard 20nm wavelength spacing.

Store.QSFPTEK 1G SFP transceivers provide wide selection for various Gigabit Ethernet applications, such as 100+ vendors compatibility, copper/fiber, SMF/MMF, 100m to 80km.

Whether deployed in factories, outdoor environments, or mission-critical infrastructure, our industrial SFP transceivers offer rugged durability, stable performance, and reliable fiber optic networking for ...

Discover reliable and versatile 1G SFP optical transceivers fully compatible with Cisco, Huawei, Juniper, Arista, and more. Choose from SX, LX, and TX modules.
