

VCL-MX-XW is an IEC 61850-3 compliant, substation-hardened, industrial-grade 16-port Ethernet switch that is packaged in a 1U high, 19-inch rack-mountable shelf that can be installed in harsh operational ...

The OX-520G-4GP16GT industrial grade switching equipment complies with FCC/CE standards and features small size, fanless operation, low power consumption, high reliability and stability, and ...

The Syrotech SY-1016-4S-IND is a 20-port gigabit managed industrial Ethernet switch with 16 gigabit RJ45 ports and 4 gigabit optical ports. It is designed for applications where providing AC power is ...

Support ARP protection, IP source protection and DoS protection. With perfect POE power supply function, each POE port can provide up to 30W of power, support 802.3af/at standard, and build in ...

?Management Features?This Industrial 16-Port Ethernet Gigabit Switch with 4 SFP Optical Fiber Ports supports connecting USB-C ports for easy management, without the need to access the RS232 ...

This device is a web managed industrial grade rail switch, which is a self-developed industrial switch product specifically designed for the industrial control field.

FS Industrial Ethernet Switches with robust design for harsh industrial and outdoor environments subject to vibrations, shocks and extreme temperature fluctuations from -40? to 75? generally.

G2600W-16G-2S-PRO is an industrial grade managed switch series from hasivo, featuring industrial grade performance characteristics and capable of withstanding harsh working environments.

Guanlan Large AI Models, powerful AI at the system edge! Guanlan is Hikvision's proprietary suite of large-scale AI models, designed to revolutionize the AI-powered Internet of Things (AIoT) technology ...

An Industrial 16-port PoE Gigabit Ethernet switch with 4-port 10 Gigabit SFP+ slot, supporting various types of 10 and 2.5 Gigabit optical small form-factor pluggable transceivers for long-distance and ...

Industrial-grade switch 4 optical 16 electrical
