

# Intelligent Reel Design for Optical Cable

Browse our complete line of fiber optic cable reels and spools. Engineered for secure cable storage with custom sizing options. Over 25 years of reel manufacturing excellence.

Fiber Optic Technicians at FIS Blue can build a custom fiber optic reel to your specifications where you can choose your own reel type, cable, and terminations. Here are a few examples of some of the ...

Fiber optic reels are engineered specifically with the protection and deployment of fragile fiber strands in mind. Their design strongly emphasizes structural performance aimed at the proper ...

Unlike traditional metal-style reels, MARS is a lightweight, modular system constructed of an impact modified polymer that is easily transported and is ideal for applications where cable needs to be ...

Ruggedised fibre optic assembly for field deployable applications.

Our fiber optic cable reels are the best in the industry. They're made out of an impact modified polymer. Military cable reels have options for fiber cleaning kits, flip-out handles and a stackable design. ...

Foss provides durable fiber optic cable reels for mobile, tactical, and industrial applications. Designed for easy transport, quick deployment, and reliable performance in harsh environments such as military, ...

Foss provides durable fiber optic cable reels for mobile, tactical, and industrial applications. Designed for easy transport, quick deployment, and reliable ...

OCC is pleased to introduce the Modular Advanced Reel System (MARS), the industry's first lightweight cable deployment reel system designed specifically for the demanding needs of harsh-environment ...

Introducing the Modular Advanced Reel System (MARS), the industry's first lightweight cable deployment reel system engineered for the demanding requirements of harsh-environment fiber optic ...

Unlike traditional metal-style reels, MARS is a lightweight, modular system constructed of an impact modified polymer that is easily transported. It is ideal for applications where cable needs to be ...
