

Italian One-Piece Large Span Cable Tray

Looking to buy a Cable Tray in Italy? Jeetmull Jaichandlall (P) Ltd. is one of the trustworthy Cable Tray Manufacturers in Italy that is here to fulfill all your wire mesh and netting tools needs.

For almost 40 years, we've manufactured high-performance cable tray systems, catering to both customized and standard needs in industrial and civil applications.

The KBSM (I) cable tray has large feed-through apertures, which means it can be used in mechanical engineering, especially materials handling applications. This tray can also be used as a lighting rail.

Shop high-quality span cable trays from reliable suppliers. Durable, customizable, and resistant to corrosion and moisture. Perfect for industrial use.

Different from normal cable trays, Large span cable tray has large supporting span with high loading capacities. Large span cable tray is assembled by pultruded FRP profiles.

They are used wherever high loads, clear route guidance, and large spans are required. Compared to conventional cable trays, they offer greater load capacity, fewer support points, and therefore an ...

Available in simple and double versions, with perforations on one or three sides, these mounting cable tray profiles allow flexible installation in multiple configurations.
