

# Long-distance optical cable fiber splicing machine manufacturer

Designed for telecom professionals, FTTH installers, and network engineers, this machine delivers ultra-fast splicing speeds ( $\leq 6$  seconds) and low loss rates, ensuring reliable connections in any environment.

Fiber Optic Center has fiber optic splicing equipment, including splicers, cleavers, protection sleeves, mechanical splicing tools and more. We distribute fiber optic splicing equipment from Corning, AFL, ...

Explore 19 top manufacturers and suppliers of Fiber Optic Splicing Equipment in our comprehensive photonics buyers" guide.

Fiber Instrument Sales has a wide variety of fiber optic splicing equipment such as fusion splicers from AFL, Sumitomo, FITEL, and FIS. FIS also splicing tools and accessories such as cleavers, thermal ...

Valhalla Industries specializes in long-haul fiber splicing, ensuring low-loss connections, network durability, and seamless integration for extended fiber networks.

Orientek, specializing in optical communication for 15 years, is a long-established manufacturer of fiber fusion splicers. We offer an advanced series of fiber splicing products designed to rapidly and ...

Over 30 years of research and development, JILONG Communications has developed into a global professional company in optical communication products ...

Over 30 years of research and development, JILONG Communications has developed into a global professional company in optical communication products and solutions.

The AI-30, the fourth generation fiber fusion splicer developed by Signal fire, is the latest generation of fiber fusion splicer designed for full link integration.

We are equipped with the highest standard of industry experts in the field of Fiber Optics and Network Testing who successfully lead Prayaag Technologies with an unyielding vision

Altec also provides multiple pieces of support equipment for the telecom market when it comes to fiber splicing. To find out more about our individual models and request a quote, please select from the list ...
