

Multimode dual-fiber SC interface

Multimode (MMF) is great for short-to-medium building runs; distances vary by OM grade and transceiver type. For many campus and metro use cases, ...

Media converter will extend Your LAN network with any standard Ethernet interface to distances with 550m or less - you no need to use attenuator also for significantly less distances than 550m as well.

The NuFiber®; single fiber single mode media converters are designed to transmit and receive 10/100Mbps data over one optical fiber. The electrical interface will Auto-Negotiate to a 10Mbps, or ...

SC fiber connectors is usually used in Gigabit Ethernet networks, datacom, and telecom applications. With the advantages of low price, easy push-pull operation, low insertion loss, good compression ...

Multimode (MMF) is great for short-to-medium building runs; distances vary by OM grade and transceiver type. For many campus and metro use cases, a single-mode BiDi pair is extremely ...

This coupler provides a simple and easy way to link together two fiber optic cables with SC connectors. Can be used with duplex or simplex cable assemblies. Supports all Multimode versions (OM1, OM2, ...

The TI-FGSC industrial multi-mode media converter features a gigabit RJ45 port and 1000BASE-LX SC interface port for building-to-building or long-distance fiber networking applications.

L-com's OM1 62.5/125 Duplex Multimode fiber optic cables are constructed of the highest quality components and are covered by a one-year warranty. These fiber optic patch cables feature OFNR ...

It provides the stand-alone RJ-45 electrical interface port and automatic cross-connection with an Ethernet switch or hub network. High-performance optical fiber interface, network compatibility, and ...

Mouser offers inventory, pricing, & datasheets for SC Multimode Fiber Optic Transmitters, Receivers, Transceivers.

Operating at an 850nm wavelength over dual multimode fibers (MM), it enables effective data transmission up to 550 meters. Featuring an SC interface, this converter ensures easy connectivity ...

Multimode dual-fiber SC interface
