

Price of optical cable outer sheath tape

o Lightweight and durable design suitable for outside plant applications
o Central loose tube with thixotropic gel for water resistance and fiber protection
o Includes water swell-able tape, corrugated ...

The Leviton Steel Tape Armoured Unitube Cable family offers up to 24 fibres, colour coded in accordance to TIA-568-D in a compact cable construction. The range has been designed to offer ...

The GYTS Steel Tape Layer Loose Tube Outdoor Optical Fiber Cable is designed to deliver high-capacity, reliable optical connectivity for long-distance outdoor networks.

Water-proof GYFTY33 fiber optic cable is based on the GYFTY fiber optic cable structure, with enhanced waterproof and anti-extrusion functions. After being coated with aluminum tape ...

Outer sheath with UV Stabilised HDPE Compound (On request available in LSZH/FR PVC) Fiber Count 6F-12F (SM Fiber G.652D, G.655, G.657 and Multi Mode OM1, OM2, OM3 & OM4)

These cables can be used for outdoor applications in ducts or aerial drop for access and distribution for campus/ between and within buildings. These cables can be installed in ducts with either pulling or ...

Fiber optic factory: produce FO indoor and outdoor cables, assemble patch cords, breakout cables, MPO etc.

Armored cables include a copolymer-coated corrugated steel tape armor layer. The cable is jacketed with a black UV-resistant polyethylene sheath. The 12-fiber ribbons have readily identifiable ribbon ...

Cable containing up to 24 optical fibers in water blocked loose tubes and solid polyethylene fillers, total of 6 elements laid-up around a fiber reinforced plastic (FRP) central strength member, water blocked ...

The Leviton Steel Tape Armoured Unitube Cable family offers up to 24 fibres, colour coded in accordance to TIA-568-D in a compact cable construction. The range ...

GYTY53 cable is steel tape armored and double PE sheath providing excellent crush resistance and rodent resistance. Metal strength member provides excellent strain performance. GYTY53 is ...

Armored cables include a copolymer-coated corrugated steel tape armor layer. ...
