

Price of stranded flame-retardant optical cable

The low-smoke, flame-retardant PVC jacket is sunlight resistant and moisture resistant for indoor and outdoor use, while remaining easy to pull thanks to its round, slick jacket design and integrated rip ...

The SZ-stranded, loose tube design isolates fibers from installation, environmental rigors and allows for easy midspan access. Available in 50 µm, 62.5 µm, single-mode and hybrid, the cable design is ...

High-Quality Singlemode Fiber: This 6-fiber, OS2 9/125 fiber optic cable features premium singlemode fibers with a 9-micron core, offering excellent performance for long-distance data transmission with ...

The GYTZS flame-retardant optical cable is designed for high-reliability outdoor deployments in fire-risk environments. Its construction begins with color-coded optical fibers housed in high-modulus, ...

This FireTuf fibre range is fully compliant with fire resistant standards IEC 60331-25 and flame retardant standards IEC 60332-2-3-24C, guaranteeing the cables circuit integrity and performance in the event ...

AFL's indoor/outdoor flame-retardant Wrapping Tube Cable with SpiderWeb Ribbon® (SWR) offers high fiber density, flexibility, and easy installation. Engineered for high-performance networks in space ...

We have pullboxes and spools of fire alarm cable at a great price for multi-floor commercial offices, apartment buildings, industrial facilities and other large-scale setups that require a fire-resistant cable.

The low-smoke, flame-retardant PVC jacket is sunlight resistant and moisture resistant for indoor and outdoor use, while remaining easy to pull thanks to its round, slick jacket design and integrated rip ...

Shop Haile HT210Z-6SC 6-core single-mode outdoor armored fiber optic cable. GYTZS-6b1.3 stranded flame retardant design, 1000m per roll, ideal for telecom and broadband infrastructure.

Buy PH120 Stranded Conductor Fire Resistant Cable at the best price from Norden Communication, the global manufacturer and supplier of electrical and optical solutions.

Find your fire-resistant optical cable easily amongst the 12 products from the leading brands (LAPP, ZTT, CABLESCOM, ...) on DirectIndustry, the industry specialist for your professional purchases.
