

US Access Switch 200G

The DSS-200G Smart Managed Surveillance Switch Series offers versatile networking solutions with 10 or 28 port models, tailored for various applications, ...

Support for high-powered Pan Tilt Zoom (PTZ) cameras, automatic Surveillance VLAN, and 6 kV surge protection make the DSS-200G series ideal for IP surveillance deployments.

FS 200/400Gb PicOS® switches offer high speeds and port densities to meet the network deployment requirements of various scenarios and the evolving requirements of enterprise networks.

Enhance your surveillance environment with the DSS-200G, a smart and easily installed device that delivers greater control and flexibility. Discover the capabilities of this intelligent tool that automates ...

It provides flexible, high-density access through 24x200G QSFP56 ports that can be split into 2x100G or 4x50G connections to efficiently connect massive storage nodes. The switch can ...

ONVIF device support allows the switch to recognize D-Link and third-party IP cameras and Network Video Recorders (NVRs). With monitoring, management, and troubleshooting tools built into a single ...

This completes the initial setup of the switch and automatically configures features such as Loop Detection, DHCP Snooping, SNMP and Surveillance VLAN. An informative quick start guide shows ...

D-Link is aiming to take surveillance in new directions with its DSS-200G series of Layer 2 switches, which are designed to power the latest IP cameras and provide automated recovery ...

The DSS-200G Smart Managed Surveillance Switch Series offers versatile networking solutions with 10 or 28 port models, tailored for various applications, including robust surveillance.

It provides flexible, high-density access through 24x200G QSFP56 ports that can be split into 2x100G or 4x50G connections to efficiently connect ...

The DSS-200G series includes models with different hardware versions and sizes, ranging from desktop to rackmount. The switches offer various port configurations, including PoE capabilities and different ...
